Dear King Members, Friends, and Family:

As we continue to see a surge in COVID-19 cases in the state, we are also seeing additional cases of COVID-19 here on campus. Please remain vigilant in your efforts to mitigate the spread of this virus.

Since we last updated you yesterday, we have had two employees test positive for COVID-19. There are currently 8 total cases (0 members, 8 employees) of COVID-19 on campus.

As a reminder, it is always best to call ahead or visit www.WisVetsHomesCOVID.com to confirm which member units are open before traveling for a visit.

Please continue to adhere to the guidance set by the Centers for Disease Control when it comes to face coverings, social distancing, and hand washing. Please also consider getting vaccinated and a booster shot if you are able.

Together, we can keep our members and staff healthy at our Veterans Home at King.

Sincerely,
